Chapter 1 by Brady B.

My name is Zero and I, am demon. Im 16 with black hair and red eyes. This is my story,my mom is the goddess of cats, I have a black cat tail and ears, my father on the other hand is a demon. I have a sister named cupcake, I'm serious, I didn't make that up,. my mom was killed for loving a demon. me and cupcake were banished no a very strange place, I think its called Earth, and there a human girl helped us.But this is a story before all of that.

In a normal home in heaven I was walking to my mom's room, This was back when i was in like 13,. "My back feel-" I didn't even get to say the whole sentence before 2 big black angel wings sprouted from my back,my sister has always had white wings as big as her but mine were....different,and I started to yell.My mom ran into the room "whats going on!" she almost yelled. Just then my dad teleported into the room and held a black chained necklace,with a ruby surrounded by obsidian, to my chest. He yelled something in latin, over my yelling, and a red light could be seen coming out of the ruby as my black wings deformed back into my back."I didn't know it would happen so soon." my dad looked at my mom. "what?" i said out of breath and wheezing, my dad kneeled down to look me in the eyes, "son, you are no ordinary demon....you are a reaper."

love is in a life or death situation. or three, you think you're strong enough to handle its power."
he looked at me very seriously so i just nodded."you must never tell anyone about this." he
tapped the necklace. My sister opened the front door and said "what's up?" my dad shot up and
turned around while my mom said,"dinner is almost ready." camly we sat and ate, that night I
couldn't sleep.
